

INDIVIDUAL RESEARCH

ROBERT D. BIGGS

Robert D. Biggs spent part of July 2000 at the British Museum in London studying Babylonian cuneiform texts. He also participated in the Rencontre Assyriologique Internationale in Paris. More recently he has been preparing a paper “The Babylonian Sexual Potency Texts” for the 47th Rencontre, whose theme is “Sex and Gender in the Ancient Near East,” to be held in July 2001 in Helsinki.
