

MEMBERSHIP

During the past two academic years the Oriental Institute has been pleased to welcome many new members from near and far to its membership rolls. The growing interest in the work and research of the Institute, together with the large number of visitors to the museum, has been most encouraging. We should like to take this opportunity to extend warm thanks to our members for their generous support, as shown in the following condensed financial statement.

We trust that you have enjoyed the many lectures presented and that you have gained some insight into the workings of field expeditions from the newsletters which we have been pleased to be able to send you.

Our opening lecture and reception for members will be held this fall on Wednesday evening, October 7, when Professor Robert J. Braidwood will present a firsthand report on his expedition to Turkey. We look forward to greeting you there.
