The contributions of its members help the Oriental Institute to maintain expeditions in the field and to continue its program of research and publication at home. Apart from a sense of sharing in a significant enterprise, membership offers certain privileges. Members are invited to a series of illustrated lectures by prominent scholars in the field of the Ancient Near East. The monthly *News & Notes*, describing the work of the staff and events of related interest, is distributed confidentially to members. And during their travels in the Near East, members are welcome to visit the sites of Oriental Institute excavations.

Memberships may be registered in the name of both husband and wife without extra charge. Dues are deductible for income tax purposes. Membership categories are arranged as follows:
