

IN MEMORIAM

Joan G. Rosenberg

1917-1996

All of us at the Oriental Institute are saddened by the death of Joan G. Rosenberg, on June 13th, who for so many years was an active member of the Visiting Committee, a devoted volunteer in the Museum Archives, a valued docent in the museum, and a generous patron of the Legacy Campaign. Joan will be remembered for her knowledge and far-ranging intellectual interests, her great generosity to many causes, her delightful wit, and her indomitable courage. We will miss Joan, and we extend our deep condolences to Homer and her family.
